

ALTENRIED ETTI & CO.

Intern (f/m/d) Mergers & Acquisitions

About us

Altenried Etti & Co. is a specialized investment banking boutique focused on acquisition and growth strategies, providing tailored Mergers & Acquisitions, financial and strategic advice based on comprehensive sector know-how and a deep understanding of private capital markets. We support financial sponsors as well as ambitious entrepreneurs and management teams in pursuing strategic and platform transactions, developing and realizing dedicated buy & build strategies and funding growth initiatives.

Who we are looking for

We are looking for interns (f/m/d) to support our growing team in Munich. Internships usually last 2-3 months and have flexible starting dates. Applications are possible all year round and are reviewed on a rolling basis. Candidates showing outstanding performances during the internship will have the opportunity to join Altenried Etti & Co. subsequently on a full-time basis.

Your Responsibilities

As an intern, you will learn about the various aspects of M&A transactions. You will support in target assessment, financial and business analysis, valuation, and the preparation of documents for client, board, and investment committee meetings. As part of the deal team, we offer you an exciting and wide range of tasks with a steep learning curve.

Your Profile

- Student (f/m/d) in an advanced stage of Bachelor or Master studies with a focus on business administration or similar
- Interest in investment banking (M&A) with an excellent academic track record
- Ideally relevant internship experience in investment banking or adjacent fields (e.g. private equity, deal advisory, or auditing)
- Ability to learn fast and strong analytical skills
- Advanced know-how of MS-Office
- Fluent in German and English

Contact

Your application should contain a cover letter and resume including transcripts. Please send us your documents by email to:
